Why Not Buy at Home?

No district, not even the famed "loop" offers better inducements to the actual buyer than do the stores of Englewood. There has been many improvements in the past ten years. We have many more stores and much larger selections, until now as large stocks in individual lines will be found on Englewood's merchants' shelves, as in any department store in the city. We personally know of stocks of shoes from $50,000 to $100,000, and even larger in wearing apparel, while our groceries and meat markets are miniature stock yards. This matter of going to the city to shop is all a fad, and is neither convenient or profitable. Some of our newer stores are veritable palaces that no city store excels; the service is modern, polite and prompt, and the prices are as low and fair considering the quality of the merchandise. Give our home merchants a chance.

Bell System

For one year the Bell Telephone System, as well as other telephone, telegraph, cable and radio systems, was under control and supervision of the government of the United States. This was a war measure, designed to give the war agencies of the country the fullest use of all facilities of communication.

During this time the normal development and expansion of all telephone systems was necessarily subordinated to governmental needs. Materials and equipment had to be utilized first in the construction and maintenance of lines for war purposes. Ordinary development and expansion waited.

The Bell Telephone System is making headway in its effort to overtake the demand for service which developed during this period of suspension, but some time will yet be required before the expansion of the business can proceed at normal speed.

INVEST YOUR MONEY WISELY

6% The safest forms of investments have always been real estate mortgages secured by farm land. This is proved by the fact that the life insurance companies—the largest investors in the world—prefer farm loans over any other form of security. Producing farm land is better security than city realty. The principal value of city property rests in improvements which sooner or later become antiquated or unsuited to the needs of a changing neighborhood. The unforseen influx of undesirable neighbors adversely affects the value of city real estate. Farm land is free from both of these menaces, for every year shows a steady advance in the average value of farm property. It is this constantly increasing security which makes farm mortgages so desirable. For years we have been making farm mortgages and selling them to conservative investors in Chicago. We collect interest and principal without charge. That we have succeeded in building up a reputation for care and conservatism is apparent from the fact that we now have several hundred customers in Chicago and others in over 30 states.

Send for our Illustrated Booklet describing these safe investments.

Rug cleaning and weaving. Phone Wentworth 43. Whitmer & Co.—Advertisement. tf

The little twin daughters, Mabelle and Cora, of Mr. and Mrs. Hubert Zander, 6355 Wood St., are confined to their home with scarlet fever.

There is much conflict of orders as to keeping open stores and banks and with the privilege of private lighting by lamps, candles, etc. It but adds to the confusion. We hope it will all be over very soon.

Window shades made to order at factory prices. Englewood Shade Factory, 1240 63rd St. Phone Went. 9489.—Advertisement. tf

We received word this week of the death in New Orleans of May Hosmer, formerly a Chicago favorite leading woman, and a resident of Englewood, while she played at the old Avenue theatre. She was 65 years of age.

The new building of the City Furniture Co., at 62nd and Halsted Sts., is being rushed rapidly, and will be an ornament to the street.

Mrs. Schroeder, of 6125 May St. gave a bunco party at her home for the benefit of Mrs. Ellsworth Tent No. 5, D. of V., which was very successful, both socially and financially.

Reports come to us that dozens of saloons are not only selling liquor of all kinds, but many of them have gambling annexes and some entertain women. This will be news (?) to the police we suppose, but most of our holdups are planned in these places.

A very pretty home wedding was celebrated Wednesday evening, November 26th, when the marriage reception of Miss Maye Bosinger to Mr. Andrew Fyanes, Jr., was held at the home of the bride's parents, 4810 Wells St., Mr. and Mrs. John Bosinger. The bridal couple attendants were Miss Margie Fyanes and Mr. Kyron Fyanes, sister and brother of the groom.

A patriotic vaudeville entertainment and dance will be given by "Our Lady of Solace" branch of the Holy Name Society at the Knights of Columbus Club House, 6323 Harvard Ave., Friday evening, the 12th. All returned soldiers and sailors of the parish will be the guests.

Ald. Lyle has been doing some excellent work on the streets and alleys committee, and now has a resolution widening Western Ave. from 68th to 79th St., also from 79th to 87th St., and from 87th to 107th St. This work is necessary on this pupular thoroughfare, and will be a great improvement.

John J. King, a sub-carrier of the Englewood Postal station, living at 5941 Sangamon St., was held up and robed by five young fellows, none over 20 years of age, but all armed with automatic guns, Saturday night while on his way home at 59th, near Halsted St. They took a new overcoat and in the pockets were $152 of his bonus and funds he had received from his overseas service while in the army. Holdups of this kind are so numerous over this way that they are scarce worth making a news item of.

Mrs. May Torphy, 5710 Seeley Ave., held a surprise party at her home Thursday evening, November 20th, in honor of Mr. and Mrs. Joseph Porthouse, whose marriage took place quietly October 15th, at the 2nd Presbyterian church, Chicago. Dainty refreshments were served and all enjoyed a well spent evening and a merry one. Before departing, their friends presented them with many pretty and useful articles, to be used in their new home. Mrs. Porthouse was formerly Miss Lillian Wunderlich, daughter of Mr and Mrs. Adam Wunderlich, 7248 Union Ave.

Holy Name Society of Chicago

Our Lady of Solace Parish Branch will give an entertainment and dance on Friday, December 12th, at 8:15 p. m. in Englewood Council K. of C. Hall, 63rd and Harvard Ave., to welcome home the returned soldiers, sailors and marines of Our Lady of Solace Church. An excellent program of entertainment lasting until about 9:30 p. m. has been arranged and the dance will follow immediately after the entertainment. A good time is assured all those who will attend. Tickets may be obtained at the Parochial residence, 6214 S. Sangamon St., from Secretary J. A. Bateman, 5934 Elizabeth St., or from any member of the Holy Name Society of the Parish.

On December 15th the morning program will be in charge of the Department of Music, and a Composition Recital will be given by Chicago composers. Nine artists will be heard in their own compositions, consisting of vocal, piano, violin and cello. A report from the State Federation of Music club will be given by Mrs. Chas. Ayers of Austin.

At 2 o'clock Mr. Percy H. Boynton will address the club, his subjest being, "The Pilgrim and the Play," and Miss Eva Gordon, contralto, will sing. The Board of the Colony Club will be guests of honor.

During the day, Monday, December 15th, there will be an exhibit of hand-made bed-spreads in the parlor. The spreads, which are very artistic, were made by Southern mountaineers, and the industry is worthy of patronage. A commission on the sale of these spreads will be given the Woman's Auxiliary of Englewood Hospital.

Up to this time Jacob Taff of that school has read the largest number of books. Keep it up Jacob.

Y. M. C. A. Notes

There were 993 Older Boys between the ages of sixteen and twenty, who assembled at the First M. E. Church at Aurora, Ill., Friday, November 28th. It was the occasion of the Sixth Annual State Conference for Older Boys. Twenty-three delegates were sent by various Sunday Schools from the greater Englewood District.

Mr. H. B. Holloway and L. Hoxsey were the leaders of the Englewood delegation. The boys were all entertained in the homes of Aurora church people.

Thanksgiving Day twenty-eight high school fellows took part in an eight-mile hare and hound chase, following a paper confetti trail. It started near 63rd and Halsted and ended in Hamilton Park. Woman's Relief Corps

The George G. Meade Corps Number 136 on Tuesday evening, December 2nd, presented a magnificent four by six silken flag, with the stars on it beautifully hand-embroidered, to the American Legion, Englewood Post Number 61 at G. A. R. Hall, at 62nd and Princeton Ave. The presentation of "Old Glory" was made by Department Patriotic Instructor, Comrade Chas. Smith, and was proudly accepted in behalf of the Legion by Mr. De Witt Cleland, Commander of the Post. Mrs. Miller, the Patriotic Instructor of Geo. Meade Corps, had arranged a very enjoyable program for this notable occasion. Judge Fry spoke eloquently justly praising these young patriots. State Commander Henry D. Fulton in a stirring speech, welcomed these brave lads, who have added new lustre to our Star Spangled Banner. Mr. Harry Hawkins rendered some delightful music, and the band played the tunes that always delight an audience stirred by patriotism.

Englewood High School Gleanings

Athletics

Last Thursday evening, December 4th, great numbers of high school pupils accompanied the football team to the Englewood station, to wish the boys good luck in their game with the Haverhill high school. The team reached Haverhill Friday evening. Haverhill beat them Saturday 27 to 14, but the boys declared that their defeat is made bearable by the worth of their opponents. The Haverhill Commercial club entertained the teams at a banquet and then took them to Boston in automobiles to see such places of interest as Old South Church and Paul Revere's home. On the way home the boys visited hastily New York, Buffalo and Niagara Falls. At the last place they not only "did" the Falls, but the famous Shredded Wheat factory.

Now that the football schedule has been played, practice in basketball will begin at once.

Our Christmas Banking Club Is a Necessity

MANY people, men, women and children, do not accumulate money because they have no set plan for doing so. Some thrifty ones do, but the vast majority do not save their money.

Our Christmas Banking Club provides a plan whereby a certain specified sum is deposited each week for fifty weeks. You need only select the club you wish to join and then make your deposits regularly (or in advance).

There are no dues or fines; no "red tape" in connection with the club.

Everyone is welcome.

Why We Have This Club Plan

IT IS the aim of our Bank to give the best service to the greatest number of people in our City and Community. We wanted a simple plan, that would make it easy for those of moderate and even those of small means to accumulate money.

Our Christmas Banking Club is just such a plan—depositing a specified sum regularly—and it is now open in our Bank. It is our wish and hope that every man, woman and child will join our Club, even those who already have bank accounts, so that they may see the great benefits of regularly banking their money, even if the amounts be small.

You will be welcome no matter what Club you join.

EMPRESS THEATRE

The Empress Theatre and "good show" are synonymous terms in the south part of this big city, as everyone who goes to the Empress at any time knows that they will enjoy a good show. The winter season is on with all the big extra attractions and Manager Mitchell is after them so keenly that nothing can escape, and the result is the best line of vaudeville acts that are put over any board. The chestnut may not grow on this active stage; they must be good acts, new acts and clean acts to catch the eye of the wise old Harry who presides over this splendid house. As special attractions for ladies and children the daily matinee is boemed as the big day show of the town and the large and constantly increasing attendance shows that the real people appreciate it. There is not a lonely minute at the Empress, and not an hour but you feel you have spent well if you spend it at the Empress. If you want to keep abreast of the times at all times you will become an Empress patron and see their show often, as none of the headliners from any circuit escapes booking at this big, roomy, comfortable house. In addition to the vaudeville they show a line of very good pictures in features and travel, instructive, amusing and exciting, all of which are carefully selected for their fitness for this high class house. Speaking of music, have you heard the new orchestra at the Harvard? All the world loves music and good music is a rare quantity, but at the Harvard one needs only to hear their orchestra once to convince them that they have the genuine. At the special request of the management, I have evaded the police for a brief period, in order that I may immortalize on the screen the story of "13" soap—unlucky for dirt—a laugh in every bubble—the soap that made me all I am today." It's a scream from start to finish. You just "got" to see it.

Thursday, Dec. 18th, matinee and night. H. B. Warner, favorite of the American screen and stage, in "The Gray Wolf's Ghost." A picture that thrills with Mr. Warner's personality. Yet he'd bet with his buddies he would dine with his commander and he'd sworn to himself he would capture the girl. NATIONAL THEATRE

"ONE WOMAN'S LIFE"

Next Week at the National Theatre

"One Woman's Life" will be the attraction at the National Theatre starting Sunday, Dec. 14th.

The drama knows no geography, while the scenes are laid in the West, it is strictly new. It appeals to the red blood which runs freely in the veins of every man and woman possessing normal instincts and desires, yet it provides an evening's entertainment unique in the fact that it is not only clean but intensely interesting. Based upon the elemental passions of humanity, without any discussions of sex, with a strong heart story, novel in theme, original in treatment, thoroughly human, full of action, yet as natural as the country in which the scenes are laid, the play comes to the jaded theatre-goer, a pleasant surprise, as clean as it is interesting.

Costs Money to Use Chair.

There is a "public house" in Dumfries where may be seen an old armchair alleged to have been invariably used by the poet Burns when he visited the place. All who sit in this chair are required to "treat" all who may be in the room at the time.

WHEN BILL SAID "HAP, YOU LOOK WELL-FED"—ABOVE'S THE WORDS TO BILL I SAID!

I CAME right back at Bill like a flash and I told him why I looked so well-fed. I said to Bill, "I buy my meats at a market where they don't put the almighty dollar above polite service and pure foods—they give you what you want at a decent price."

BEFORE FARM LOAN ACT BECAME LAW OF LAND.

The rate of interest upon land mortgage varied in different sections of the country ranging from 5.3 per cent to 10½ per cent.

In the New England group of states the lowest rate is 5.3 per cent and the highest is 6.2 per cent. That is the average in those states.

In the Middle Atlantic states, New York, New Jersey and Pennsylvania, 5.6 to 5.8 per cent.

In the East North Central states, that is the states north of the Ohio river, we will say, Ohio, Indiana, Illinois, Michigan and Wisconsin, the rate was 5.8 per cent to 6.2 per cent.

In the West North Central states, from 5.9 per cent to 8.7 per cent. That was in Missouri, North Dakota, South Dakota, Nebraska, Kansas, Minnesota and Iowa.

In South Atlantic states they range from 5.6 per cent in the state of Delaware, where the rate was lowest, to 9.6 per cent in Florida.

In the East South Central states, Kentucky, Tennessee, Alabama, Mississippi, 7.1 per cent to 9.4 per cent.

In the West South Central states, Arkansas, Louisiana, Oklahoma and Texas, it ranged from 8.4 per cent to 9.6 per cent.

When we come to the Mountain states like Montana, Idaho, Wyoming, Colorado, New Mexico Arizona and Utah the rates go up from 8.9 per cent to 10.5 per cent.

And in the Pacific states, Washington, Oregon, California, it ranges from 7.6 per cent to 8.7 per cent.

These rates do not indicate however, the true condition of affairs. Rates of interest on farm mortgages were sometimes as high as 16 per cent, including the commissions that were paid.

NOTED LAWYERS DEFEND FEDERAL FARM LOAN ACT

McAdoo, Hughes and Wickersham Appear in Kansas City Court as Champions of Land Banks, Which Have Given Farmers $300,000,000 at Low Interest Rates.

America's system of rural credits was upheld in the federal court in a suit which questioned the constitutionality of the law creating federal land banks and joint stock land banks. Charles E. Smith, a stockholder in the Kansas City Title and Trust company, brought suit to enjoin this corporation from purchasing the bonds of these banks contending that because these securities are exempt from federal, state and local taxation, they were issued in violation of the Constitution of the United States and contending also that congress had no authority to create such banks. Judge Van Valkenburgh gave his decision immediately at the close of the arguments, holding that the law is constitutional. An appeal was taken and the case will now go to the United States Supreme court for final decision. The validity of the farm loan act being thus attacked, the government of the United States, the federal land banks and the joint stock land banks became parties to the suit. Mr. McAdoo represented the government as assistant to the attorney general and also, together with George W. Wickersham, attorney general under President Taft, represented the joint stock land banks of which there are now 27. Former Justice of the Supreme court Charles E. Hughes represented the federal land banks.

SULLIVAN'S SENSE AND NONSENSE

"A bird in the hand is worth two in the bush."
A friend of mine wrote in a letter.
What he says may be true,
But between me and you,
A bird on the platter is better.

What about the "S. P. U. G.'s" this year, which translated means Society to Prevent Useless Giving.

A ton of coal put up in a nice holy flower box with tissue pape lining will make an acceptable present this year.

Some people are very charitable we know of one who donated a las. year's bathing suit to a poor contribution, and another that attendec a pound party and brought a pound of salt. Fact.

The necessary revival of kerosene lamps and tallow candles has also brought back the handy man whc can "snuff" the candle with his bare fingers and wipe the proceeds off on his boot heel.

The powers that be showed great wisdom in closing the churches and schools, and allowing the pool rooms and light (?) drink shops to remain open during the coal famine.

"I'm going to get a nice little wife. I'll have a cozy little home, well cooked meals, my slippers ready for me when I get home at night, my pipe always handy to me and peace and contentment for the rest of my days."

"You never ought to marry."

"Why ever not?"

"Well, when a man has a dream like that he ought not to risk waking up."

If a fellow only knew what the other fellow is to give him for Christmas, it would make shopping at this season very much easier. After all it is much of an exchange affair and both sides get bunkoed.

"You used to hate work."

"I hate it yet," replied Plodding Pete; "But I'm goin' to keep at it. If you get in the habit of loafin' now, some member of the I. W. W. is liable to step up any minute an' call you brother."

"You say this man 'beaned' you?"

"Yes, your honor."

"What do you mean by that?"

"He hit me on de koko, your honor; he tried to crack me nut! he slammed me on de belfry; he—"

"Will some one please interpret for the plaintiff?"

"I wili, your honor," said an obliging witness. "He means the accused bounced a rock on his ivory dome."

Casey called at one of the closed (?) thirst parlors on Halsted St. and was served with "a shot," for which he placed a dollar bill on the bar. The barkeeper quietly slipped back a quarter in change. Casey looked at the small coin a moment and politely inquired, "Oi say Mack, does yiz want to buy a horse?" "A horse, what in the world would I want with a horse?" asked the barkeeper." "Oh, Oi dunno," answered Casey. "Oi thought yiz moight nade wan. Jesse James and awl the ither highway min Oi ever heard of had wan," and dodged out just ahead of a bung starter.

The Elm Club Circus Hippodrome

There has been many varieties of shows in Englewood, but the real thing is coming the nights of December 16th to 20th inclusive. The Elm Club, composed of members of the Knights of Columbus and affiliated ladies' organization, are the perpetrators, and it promises to be the boldest hit of the season. Genuine Irish elephants, French monkeys, Polish parrots, Bohemian bats and German Gu-gu's will be there. Aerial acrobats, and slimy monsters of the deep, captured from Bubbly Creek, will all do their stunts. Harry Kenny will dance the sword dance, Mike Cagney will sing a song, and Premier John Ryan will read an essay on baseball. It will be a great show and no one can afford to miss it. It was intended to charge a ton of coal for admission, but it has been reduced to "10 cents, a tenth of a dollar, or two nickels." All this takes place at the K. of C. club house, 6323 Harvard Ave. (We killed the press agent when he arrived at this period—Editor.)

Preparing Parcels for Mailing

Postmaster Carlile has issued a valuable circular on the proper preparation of parcels for mailing that should be in the hands of every one. Over a million parcels a day are mailed in Chicago and many of them are badly packed, wrapped or misdirected and consequently go astray or are ruined. Ask for this little folder at the postoffice and keep it handy in the house.

New Army Recruiting Station

One of the surest signs of the growth of outlying business districts is the establishment therein of the Army Recruiting Sub-station.

Such a station is now established at 6001 Halsted St., where Corporal Roy J. Gallagher from the Recruiting District of Chicago, will have charge, assisted by First-class Private Raymond.

Corporal Gallagher is a booster for the New Army, and the possibilities in Vocational Training features of the present day service.

He has spent many years in the service, having served with the Michigan Volunteers in the Spanish American War, and is one of those men who are able to furnish interesting side lights on the difference between the opportunities of the old army and the new.

Whether you have any idea of joining the army or not it will be worth your while to stop for a chat with this soldier, who having had a long army experience rounded out by duty at Recruiting Headquarters, is well informed on matters of War Risk Insurance, allotments and other matters about which there are many questions in the minds of American men and relatives.

The Civic Music Chorus

Is making a drive to increase its membership to 150 during its present season, which began Monday, with a spirited rehearsal, and will continue every Monday evening until June.

If you like to sing, join us and get the benefit of the excellent training offered by that authoritative musical director, John Norton, recently released from Uncle Sam's navy, in which he conducted an escort band.

Prior to his enlistment Mr. Norton directed the well known Bach Choral Society for nine years, also for many years he has been organist at St. James Episcopal Church and the Hamilton Park Chorus is very happy at his assignment to their club by the Civic Music Association of Chicago.

Want to join? Now is the time to start. Communicate with the president, Mrs. Albert J. Fisher, 7157 Yale Ave., phone Stewart 31; or inquire of the park director, Mr. Campbell.
